Submission Categories & What We Are Seeking

The Kingdom Culture Report exists to address cultural pressure with Christ-centered conviction and elevate stories of real spiritual transformation.

1. Faith Story Feature

We are seeking real, faith-centered testimonies from youth or adults who have faced cultural pressure and responded with conviction rooted in Christ.

2. Next Generation Spotlight

We are seeking youth and teens standing firm in identity, courage, and countercultural faith-based leadership.

3. Kingdom Leadership Feature

We are seeking adults strategically shaping culture, mentoring youth, and implementing structured discipleship models.

4. Organization Spotlight

We are seeking faith-based schools, ministries, and nonprofits using structured frameworks to protect identity and produce measurable impact.

5. Parent Strategy Voice

We are seeking parents intentionally implementing faith-based values, identity formation, and biblical character development within their children.
